Heavenly Concoction of Tastes

Chutneys

WORLDFOODS has created a special range of Indian chutneys with our favourite combination of flavours. WORLDFOODS uses fresh ingredients such as pineapple, tomatoes, chillies, garlic, onions and ginger, cooking them together with spices like cumin and cardamom to create a heavenly concoction of tastes. We love the taste of these chutneys so much that we begin eating them with everything.

A Variety of Asian Flavours

WORLDFOODS takes you on a culinary world tour with fun, easy & delicious fruit ideas for breakfast, desserts and cocktails. With a little inspiration, you can bake pie, cakes, pastries and bread. Toppings for ice cream, waffles, pancakes, crepes, cereal, yoghurts or blended into smoothies. Our Fruit Pie Filling/Toppings is less calories, less sugar and lower carbs than other products. It is shelf stable product, made from 100% natural fruit.

Quality, Food Safety & Social Responsibility

WORLDFOODS is produced at Siam Agro-Food Industry Public Company Limited (SAICO) in Thailand, that produces pineapple products since 1967. One of the first producers in Thailand and top 5 largest in the world.

Golden richness...
uniquely Thai

The facility has been certified with various premium quality food standards throughout its management production process, quality, food safety control procedures and social responsibility. SAICO believes in selecting premium natural ingredients to ensure the highest quality standards. The fresh ingredients and traditional herbs and spices that are used in our sauces, reflect the true authenticity of the final product. SAICO prides itself on contributing to the local community by improving the income and livelihood of its farmers, employees and residents by initiating various social and ethical policies.

SAICO's quality management system are ISO 9000, ISO 22000:2005 and HACCP (Hazard Analysis Critical Control Point). Other certifications: British Retail Consortium (BRC), International Featured Standards (IFS), Halal, Gluten Free, Non-GMO Project Verified, Voluntary Control System by SGF.
